Subject: Performance Measures Pending but update this document.

Sean – I edited the narrative and copied you on an email to James to verify the performance measures are for SFY-17 – SFY-13. It should have been updated from the document last year which Anthony leaves to each agency to update (FYI). If James has edits to the Performance Measures, please update this document as it is the most current. I have not reviewed the fee document but I am assuming it has not changed.

Thanks,

Felesha
